

17th Annual North Coast Regional
School-Age Conference

The Many Hats of After School

The best opportunity for staff training on the northcoast!

February 26, 2011

8:30 a.m. to 4:30 p.m. • Riverlodge, Fortuna

Keynote/Performance:
The Platt Brothers

The Platt Brothers is a self-produced, all-original show created and performed by Cy, Boone, and Cheetah Platt. Utilizing their incredible physical talents, boundless imagination, and infectious enthusiasm, the Platt's translate the classic coming-of-age tale into an epic journey filled with excitement and mishaps. They bring to life the exuberance of youth and the adventures of childhood; and explore the magical connections shared by families and strengthened through uninhibited use of imagination. Having been first introduced to the performing arts by a ballet assembly at their elementary school, the Platt brothers place a constant priority on educational outreach. Reaching thousands of children each year, they stress the importance of imagination, physical activity, and healthy lifestyles. The Platt brothers strive to make themselves a feasible option for any educational program. *In addition to their exciting Keynote, the Platt Brothers will be offering three drama workshops throughout the day geared toward empowering youth to work toward a dream to realize success.*
